

Commercial Carpenter V2 COMCARP27_02 Updated May 2023

Focus Statement

A journey-level Commercial Carpenter will have a general knowledge and understanding of the following: print reading including an awareness of allied trades, basic construction math, and estimating and preparing takeoffs; layout including site and building control; framing wood, steel (non-welded) and interior/exterior finishes; concrete formwork including ironworking/reinforcing steel and placing concrete; tenant finish out including doors/frames/hardware, cabinets, and trim; safety.

Overview

- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed
- A corresponding hands-on Performance Verification is available

Minimum passing score is 75.

Written Assessment Contents:

Module ID	Content Domain/Module Title	Number of Items
00101-04 27306-07	Safety	6
27102-06	Wood Building Materials, Fasteners & Adhesives	4
27103-06	Hand & Power Tools	4
27105-06	Floor Systems	6
27106-06	Wall & Ceiling Framing	6
27107-06	Roof Framing	6
27104-06	Reading Plans & Elevations	4
27110-06 27405-08	Basic Stair Layout & Advanced Stair Systems	5

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting nccer.org/order-books-modules.

Assessment Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the knowledge assessment, NCCER will send applicable credentials to the assessment center.

Score Report and Training Prescription

Each candidate will have access to their assessment results including their overall score and recommended training.

NCCER Registry

Knowledge assessment results are recorded in NCCER's Registry and become a part of the portable record of an individual's NCCER credentials.
